

## 2<sup>ND</sup> ANNUAL FUND RAISING GOLF TOURNAMENT

Calgary Elks Golf Club - June 30, 2015 (2 pm Tee Off)

You are invited to the 2<sup>nd</sup> Annual fund raising golf tournament in support of Ski Jumping Canada and Nordic Combined Ski Canada.

Ski Jumping Canada and Nordic Combined Ski Canada are the national sport organizations for the sports of ski jumping and nordic combined. The national teams are currently comprised of 8 athletes, 4 of whom are Olympic veterans. The team is not funded by any level of government and relies on grass roots fund raising, part time jobs (on top of elite level training) and a few corporate sponsors to operate the team.

In spite of these hurdles, the teams have generated some great results for Canada, winning 2 World Cup bronze medals in 2015.

Please join with members of Calgary's business community and some of our local Olympians to support these talented and hard working athletes

*100% of tournament proceeds will be directed to Ski Jumping Canada and Nordic Combined Ski Canada*
