**2022 Fundraising Golf Tournament
in support of Ski Jumping Canada**
Thursday September 22nd, 2022 1pm
Valley Ridge Golf & Country Club, Calgary Alberta

**You are Invited to the 7th Annual Fundraising Golf Tournament
in Support of Our National Team and Olympic Medalists!**

Ski Jumping Canada is the National Sport Organization for ski jumping our 6-member National team now spends 9+ months a year in Slovenia to train and compete in the high-performance sport of Nordic jumping.

Support from this tournament went a long way to enabling our team to write a page in the history books. The bronze medal in Beijing was a historical first for ski jumping in Canada, followed by a bronze at the World Juniors in Poland as well as our team climbing the world rankings. We now have our sights set on 2026 to continue our momentum.

Please join us alongside our local Olympic Champions, future Olympians, and many members of Calgary's business and athletic community to support and celebrate our outstanding achievements, as well as a great day of golf and a fabulous silent auction that will emphasize Olympic gear and wine.

Our national team athletes rely on the support from individuals like you to help them represent Canada around the world. The funds from this event and the contributions you make will allow our national team athletes to continue to train and compete without the burden of financial restrictions. The support you give could be the spark that helps our athletes back to the Olympic podium in 2026. Come be part of the team!

100% of tournament proceeds will be directed to Ski Jumping Canada
